And taking the five loaves and the two fish, he looked up to heaven, and blessed and broke them, and gave them to the disciples to set before the crowd. And all ate and were filled. What was left over was gathered up, twelve baskets of broken pieces. Luke 9:16-17, NRSV

MORE THAN ENOUGH

Dear Holy Trinity Family,

By now, you already know that it is that time of the year when we turn our attention on how we have been faithful to our calling as stewards of God's abundant blessings. It is also the time when we renew our commitment to God's mission through our church, our community and beyond.

This important period began with a letter from this year's Stewardship chair with an overview of the calendar and an Invitation to each one of us to participate. On Sunday, I shared what I consider to be the four major principles of Stewardship. I said that Stewardship is about gratitude, it is about imitating God (Discipleship), it is about ability, and more

importantly, stewardship is about love - love for God and neighbor. In this short article, I want to focus on stewardship as gratitude.

First, stewardship as gratitude begins with heartfelt gratitude to God for His grace that sustains each one of us through the ups and downs of life. By God's grace we continue to be a warm, welcoming, and Christ-centered community for all people to belong, blossom, and bless. This is evidenced by so many who have joined us in the past year. Early this year 14 people were presented to the bishop to be confirmed or received into our Episcopal/Anglican branch of the Jesus movement. Most recently, we officially received nine people who, after experiencing our shared life and mission for a while, decided that Holy Trinity is a place they wish to belong, blossom, and bless. All this is from God who works in us to will and act according to His good purposes (Philippians 2:13).

Secondly, I am grateful to each one of you who has responded to God's call to be part of what He is doing in this place. Throughout the year I have witnessed incredible generosity as you contribute your ideas, your funds, and your time to our church. Every dollar that we receive, every minute of volunteerism, and every good plan, comes from the heart and goes toward our mission. Your faithfulness and generosity have made all the difference; and I am eternally grateful to each one of you. Thank you! Thank you! Thank you!

Beyond your support for the general operating budget many of you have given generously to our outreach efforts, our building fund, our endowment fund, and many more. Perhaps the perfect example of your generosity beyond the budget is the recently completed Church Window Restoration Project which cost over \$70,000, a majority of which was funded by donations, large and small, from many of you. A dedication of these windows is scheduled for Sunday November 6 at the 10:30 am service.

As you can imagine, this spirit of generosity is contagious. As people hear about our generosity, and the difference it is making they are inspired and often moved to join in. That was the case when, about three years ago, the

late Thomas Alles learned of our church's generosity in support of our special school. He was deeply moved and decided to donate over \$200,000 to build two classroom buildings. In celebration and thanks giving for this incredible generosity a celebration of generosity and dedication of the buildings will be held on Thursday December 1, at 2:00 p.m. Please join us as we give thanks to God for His generosity that continues to flow through us for the benefit of our community and beyond.

This year's theme focuses on the miracle of sharing. It demonstrates the ways in which our means meet the needs of the world, the ways in which we respond to the Gospel, the ways in which we sustain our community and our world. *More Than Enough*, brings us back to that moment of miracle described in Luke's Gospel, having just been fed by Jesus from a scant few loaves and fishes. The people in that story heard Jesus' call to share what they had in order that all might benefit; and that is what you do with the gifts you possess. When we have strategies that need to be developed, or committees that need to be staffed, or problems that need to be solved, you answer the call and share your wisdom and experience; without which our church and our ministry would be diminished.

In a few weeks, you will receive an invitation to name and pledge the gifts you will make in the coming year to help our church and our neighbors near and far. I ask that you pray for this annual gathering of gifts of gratitude, and consider how you will grow in faithfulness and generosity. A service of consecration with the blessing of our 2023 Estimate of Giving cards is scheduled for Sunday November 20. Thank you for your continued generosity.

With abundant gratitude, *Samuel+*

Vestry Meeting Highlights October, 2022

The Vestry met for the monthly meeting on Wednesday, October 19, 2022 to discuss matters of importance to the life and mission of our church.

1. The meeting began with prayer and meditation from the book *Meditation for Vestry Members*.

2. The Vestry reviewed the minutes from September.
3. Many Ministry Team liaisons shared highlights from their meetings.
4. The Vestry reflected on The Ministry Fair. It was considered to be quite successful. We had a wonderful turnout and some new volunteers for various committees.
5. Golf Benefit is October 29th. It is sold out!
6. The Vestry approved the treasurer's report as presented. A copy of the report will be placed in the Parish Hall for those that may be interested.

October 23rd is Stewardship Kickoff. This year's theme is "more than Enough"

1. November 6th – Church Window Dedication.
2. November 20th – Consecration Sunday.

Budget for next year was looked at. No final figures have been decided. A cost-of-living increase was discussed for the Church and office staff. No final figures can be discussed until pledges for next year have been received.

Doris shared information on the Loop. The estimate is based on a previous survey. She will call and have them do a new one to assure the estimate has not changed too much.

Fr. Samuel reported plans for the dedication of the School Building is set for December 1st. We have 2 volunteers to assist with the Church Directory pictures.

The Vestry Meeting ended with a closing prayer.

Sr. Warden's Report

I am happy to report this has been one incredible month. After almost two years of protocols, masks and distancing, we hosted three amazing events, and welcomed a number of new members to our family.

We had two "New Members" dinners, hosted by I.W.C. It gives new members an opportunity to learn more about Holy Trinity in a small setting. We get to share our experiences and connections with Holy Trinity. It is always

wonderful to hear new members discuss the warmth they feel at Holy Trinity.

We had The Blessing of the Pets. The weather was perfect, and so were the pets. Pet parents sat proudly as Fr. Samuel blessed each pet individually, and each one received a St. Francis medal for their collars.

We had our first Ministry Fair. The Parish Hall was decorated and, as always, a wonderful spread was set out for coffee hour. Ministry Tables were set up around the room. Each one displayed various Committees that serve Holy Trinity and the Community. Members of the Committees were present to answer any questions; volunteer sheets were available. We had parishioners from each service browse and inquire about our various Ministries. It was wonderful for our Holy Trinity Family to see what goes on behind the scenes. It was very gratifying to see how many signed up to be a part of our Outreach and Service Programs.

We had a Women's Luncheon. It was nicely attended by some very enthusiastic ladies, and Fr. Samuel. We are very eager to get the E.C.W. restarted. Some wonderful ideas were discussed. It was felt a Women's Support system was not just important, but needed. The Group wants to incorporate Socializing with Support and Service – the "Three S's." We look forward to our next meeting.

The culmination of the month will be Holy Trinity Episcopal School Golf Benefit. We are sold out, but there is always room for lunch and donations. We look forward to seeing as many of you there as possible.

This coming month will be dedicated to Stewardship. We will be reminded of what Holy Trinity means to each one of us, and what we can do to keep our "Home" the warm and loving sanctuary it has become.

October 2022 Building and Grounds Report

- 1) Our lawn tractor has been repaired and serviced. It's working just fine now. Many thanks to Neven Mathews for loaning his

mower during this time. Also, a big thank you goes out to the Bob's (that's Freeman and Mustin) for all their help this year and especially during this time.

- 2) Another big thanks to Bob Freeman for manning the G&G booth at the recent ministry fair.
- 3) The parking lot has been resurfaced and restriped. All parking blocks are repainted (white) and locked in place using rebar material. The stripping has a lot of overspray, the company that did the work is coming back to clean it up. 4 new handicap parking signs have been put up.
- 4) The fall fertilization has been completed on the lawn and all ornamental plants.
- 5) Lots of weeds have been sprayed and the growth should slow down now that cooler weather is here.
- 6) Power washing has been completed on all garden block walls. This is something we need to do at least 3 times a year and without Bob Mustin's help it would be very difficult to manage.
- 7) Power washing and HVAC filter changing on the north side of the new school buildings was also done.
- 8) We have been waiting for cooler weather to enlist workers for a fall project. The first, and most important will be cemetery cleanup. This will be done as soon as I can schedule a Saturday. Hopefully in November.
- 9) As you have all seen our church roof has been tarped by a team sent in by the Diocese. This was done to ensure that we mitigate wind and rain damage from hurricane Ian. Also, regarding the roof, we are being told by the diocese that things are moving in a positive direction regarding our insurance claim. As usual with these sorts of things it takes time and patience.
- 10) Hedge trimming has been completed.

In Christ's name

Tutors Make a Difference

It is said that it takes a village to raise a child, at Holy Trinity Episcopal School it takes a tutor to help a student succeed. The administration and staff at HTES is comprised of dedicated paid and volunteer individuals who are committed to enriching our students with both academic knowledge and practical lifelong skills. To complement and reinforce what is being taught in the classroom, HTES has a group of volunteer tutors who meet with students weekly.

Our HTES tutor coordinator is Jim Kelly. Jim has been involved with HTES in several capacities over the past several years, and has himself been a tutor for 8 years. Jim and other tutors can attest to the impact that their involvement with students has made, and conversely their pride as their students have graduated and continued their education or entered the workforce.

Currently there are 15 tutors at HTES whose academic and professional backgrounds are varied and wide ranging and we are recruiting to add to this number. Tutors reinforce classroom lessons in language arts (reading and writing) and math. **Our most urgent need is math tutors with an emphasis on fractions and basic algebra.** If you have a background in this area, i.e.: engineering or accounting, please reach out to Jim or the school office.

If you or someone you know is interested in having a positive impact on a student's life please contact our Tutor Coordinator Jim Kelly at 913-558-2636 or Kadie Chidester in the HTES school office at 352-787-8855. All tutors are required to undergo a background check, be fingerprinted, and complete an online child safety course prior to meeting with students.

**Holy Trinity School Helps
STUDENTS SHINE!!!
An update on the difference your
caring donations make:**

Now that the 2022-23 school year is underway, our HTES students are settling into a routine. New students are acclimating to a new school, new teachers, making new friends, and returning students are reconnecting with teachers and friends. For two seniors this school year also brings a new opportunity. These seniors are taking college courses as dual enrolled students, which means that they are taking college level classes, as well as

completing their high school graduation requirements at HTES.

Both students were required to take entrance exams to be accepted to their respective schools, Lake Tech, with locations throughout Lake County, and Lake-Sumter State College, located in Leesburg. As high school students taking college courses, their tuition at these schools is steeply discounted, allowing them to get a head start on their post-secondary education and careers with minimal cost.

Lake Tech offers a variety of technical and career specific certificate courses; our student is enrolled in computer technology. He is on target to obtain his first certificate in November, and his second certificate just after he graduates from HTES. LSSC offers a wide array of academic programs ranging from Arts and Humanities to STEM to Business. Our student will be taking general education courses as she works toward an Associate's Degree.

Justin McCallister, Head of School at HTES, commented that he is "incredibly proud of both students", and that their admission to these colleges is a "result of their hard work and attention to their classes" at HTES. It should be mentioned that their college acceptances are also a testament to the dedication of Mr. McCallister and the HTES staff, including their commitment to ensure that each of our students succeeds in reaching their potential.

Salvation Army Requests

Words directly from Major Marie Harris with Salvation Army of Lake & Sumter Counties.

"This year we are expecting that the need will be abundant because the cost of living is on the rise even for the very basic necessities. Those living on the margin of life are trying to feed their families and pay their bills with limited resources. So, they come to The

Salvation Army needing help during the holiday season and throughout the year.”

Sad but true and I think we all agree, so if you can bring an item or two on a weekly basis for our little red wagon, it will go to a family who has had to reach out to ask for help in feeding their family.

Another way to help would be to contact Jim Kelly 913-558-2636 and volunteer to “Rings the Bells” for a 2-hour shift. This is usually done by 2 or 3 people together. Jim can give you all the information about times and locations. Plus, as you are out shopping this Holy Season and you see

someone volunteering at the red kettle, don't forget to drop a little something in to the kettle. Every little bit helps.

We will also be accepting some Christmas Angels from The Salvation Army. These angels will come with their own Wishlist prepared by the children themselves. So please consider choosing one or maybe donating toward one. Let us do the shopping if you prefer. Information on this project will be announced as soon as we have it. Julie Sligh, 352-205-1127 is our contact on this Christmas Project.

Thank You All,

OUTREACH CHRISTMAS PROJECTS
YOUR OUTREACH COMMITTEE

We want to Thank Everyone who came by our table during the Ministry Fair. It was a wonderful event. We handed out a list of Ministries that we oversee. We are a busy group but could not fulfill our Ministries without your help. Example, we just gave out all 50 of the Operation Christmas Child Shoeboxes. We are so pleased that 50 children will have a gift this Christmas that would not have had a gift if not for YOU. So, Thank You.

We also want to announce the winner of our Cinnamon Broom Door Hanger. Father Samuel pulled Jaleh Welton's name from the 31 names that were in our drawing. Thank You to everyone who entered our drawing.

Thank you,
Annette Freeman

Wreaths Across America 2022

This year HTEC will join with 3,390 other locations to participate in National Wreaths Across America Day. The national day will be recognized on December 17, 2022. We at HTEC will recognize this special day and place our Wreaths on Sunday, December 18, 2022 after each of our Sunday Services. So, if you want to be a part of our placing the Wreaths, join us in the courtyard after your Service.

This year the count of Veterans resting in our cemetery has grown. We are up to 73. We will need \$10.00 each for 73 Wreaths so we will have a Wreath for each Veteran's grave. If you plan to contribute for a Wreath; I ask that you do it early in Nov. our order must be in before end of month.

National Theme for Wreaths Across America in 2022 is "Find a way to serve" this is a call for us all to REMEMBER, HONOR, and TEACH.

Thank You All,
Annette Freeman

Recap of Holy Hacker Outing

The Holy Hacker Outing for November is scheduled for Saturday, November 12th at the Pennbrooke Fairways. With a "Shotgun Start" at 9:30AM. Come on out for a morning of fun, fellowship, and a great time. I will see you on the course. The sign-up sheet is on the bulletin board in the Parish Hall, or you can simply email me at pmclaugh7@gmail.com and let me know that you would like to play.

Your Golf Guy Pat McLaughlin.

2023 Stewardship Program

Just a reminder folks. We will be kicking off the 2023 Stewardship Program during the month of October. So, keep your eyes and ears open for important information regarding this. The 2023 Stewardship Program is not a plea for donations for this year - it is simply your pledge for your offerings and donations for 2023. Which will help your Vestry get a head up as to how much money they will have to work with in 2023 and assist them in putting a balanced budget

together. More information will be coming to you during the month of October. The Stewardship Program is always an exciting part of the year, and one that I look forward to.

HT School Golf Benefit

By the time you read this the Fabulous Golf Benefit will be over and will have raised lots of money. We have assembled a great team to help make this a Big Winner for the school. I really wish I could thank everyone who has stepped up individually but you know I surely would miss someone.

If you see this BEFORE October 29 you STILL have time to make a donation. You can write a check to Holy Trinity School and take it, or mail it, to the Church Office. Please remember no amount is too small. They even take cash! (What a novel idea.)

I think most of you realize no matter what type of Benefit you work on it's always the cause that matters the most. If you can ever participate in anything involving our School I highly recommend you do it. The students really appreciate everything you do for them. Our teachers, staff and volunteers do such a remarkable job. They deserve all the help we can give them.

This is the ministry you want to be a part of.

Ladies Fellowship Luncheon

It was a sunny day in more ways than one on Saturday, Oct 15th! Twenty-two women of the parish plus Father Samuel gathered for a delicious buffet luncheon, wonderful fellowship, and sharing from the heart.

In short, we enjoyed this opportunity to eat, welcome, and connect! It was a real treat to feast on the variety of favorite salads as well as other side dishes, cheeses, rolls and desserts which attendees brought as food offerings. We were delighted to have several recent newcomers to Holy Trinity in attendance whom we got to know as each of us introduced ourselves briefly and shared what we would like to see a Women's Fellowship/Ministry "look like". Also, fun was the chance to meet and chat with women who worship from home and those who usually attend a different service from us.

We will gather again -- perhaps in December -- to consider all the wishes and hopes shared, and to figure out next steps for 2023. Several women have raised their hands to form the beginnings of a group of coordinators. Thank you, ladies, and more are definitely welcome! Please talk to Fr. Samuel if you have an interest or drop him an email at rector@holytrinityfp.com.

Enjoy additional pictures at the end of this newsletter!

The Good Shephard's Window

Upon entering Holy Trinity Church, the eye is drawn to the large stained-glass window behind the altar. "The Good Shepherd" was installed in 1926 in memory of Villiers Chernock Smith who was a founder of Holy Trinity and served as Senior Warden from 1892 to 1924.

The Southern Glass Company from Jacksonville submitted the design and installed the window along with two tinted glass side windows for a cost of \$550. This window replaced the original window called "The Bleeding Heart of Jesus" which was thought by many to be too Catholic.

In Loving Memory of Cesar Noble

Our dear friend and fellow parishioner Cesar Noble departed this life on Sunday, October 23 at an assisted living center in the Villages. Arrangements for his memorial service are yet to be concluded. Please continue to pray for Dottie and the family during this difficult time.

*Rest eternal grant your servant Cesar, O Lord:
And let light perpetual shine upon him. Amen.*

Grant, O Lord, to all your servant Dottie and to all who are bereaved, the spirit of faith and courage, that they may have strength to meet the days to come with steadfastness and patience; not sorrowing as those without hope, but in thankful remembrance of your great goodness, and in the joyful expectation of eternal life with those they love. And this we ask in the Name of Jesus Christ our risen Lord. Amen.

HOW MUCH SHOULD I GIVE?

As we embark on this year's Stewardship Campaign, and encouraged to determine how much we hope to give to God's mission through Holy Trinity for the coming year, you may be wondering exactly how much of the financial resources God has entrusted to you would be appropriate.

Perhaps the best perspective is one given by Jesus himself where he says that: "To whom much has been given, much will be expected." (Luke 12:48). With that in mind many have found the giving chart below to be very helpful.

The giving chart is intended to help you identify how much of your current weekly income and giving percentage and then prayerfully considering how much you wish to give for the coming year. Our hope is that wherever you find yourself, you will find it possible to grow a step higher. Note that the chart shows numbers from 1% to 15%. It is a reminder that "no gift is too small" and "no gift is too big" as long as it is given with love from the heart. *"Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver."* (2 Corinthians 9:7).

Permission is hereby granted to photocopy this page for use with the New Consecration Sunday Stewardship Program.

1. Find where YOU are on the chart (your weekly income/giving).
2. Move one block to the left to determine what GROW ONE % would be for you.

October Birthdays

In October, we honored all whose who had a birthday with a cake in the Fellowship Hall. We hope to continue this practice by honoring those monthly birthdays on the second Sunday of the month.
